

# INDUSTRIAL SOLUTION

Providing skills-based industrial solutions

## OUR EXPERTISE

### TOTAL BOLTING SOLUTION

One-stop solution for accurate bolt joint assembly eliminates over and under torquing during maintenance activities and maximizes tool capabilities.

Complete line of innovative Tools for your Bolting application with a wide range of capacities from 0.3Nm to 130,000 Nm.

[LEARN MORE ▶](#)

### INNOVATIVE MACHINE SHOP TECHNOLOGY

We offer the solutions and expertise to make your job faster, more accurate, and more efficient for workshops and on-site environments.

Different applications for machining and positioning pipe preparation processes: pipe cutting and beveling, aligning, purging, handling pipes, and flange facing.

### ELECTRICAL CABLING & RENEWABLE ENERGY

One-stop solution for accurate bolt joint assembly eliminates over and under torquing during maintenance activities and maximizes tool capabilities.

Complete line of innovative Tools for your Bolting application with a wide range of capacities from 0.3Nm to 130,000 Nm.

[LEARN MORE ▶](#)

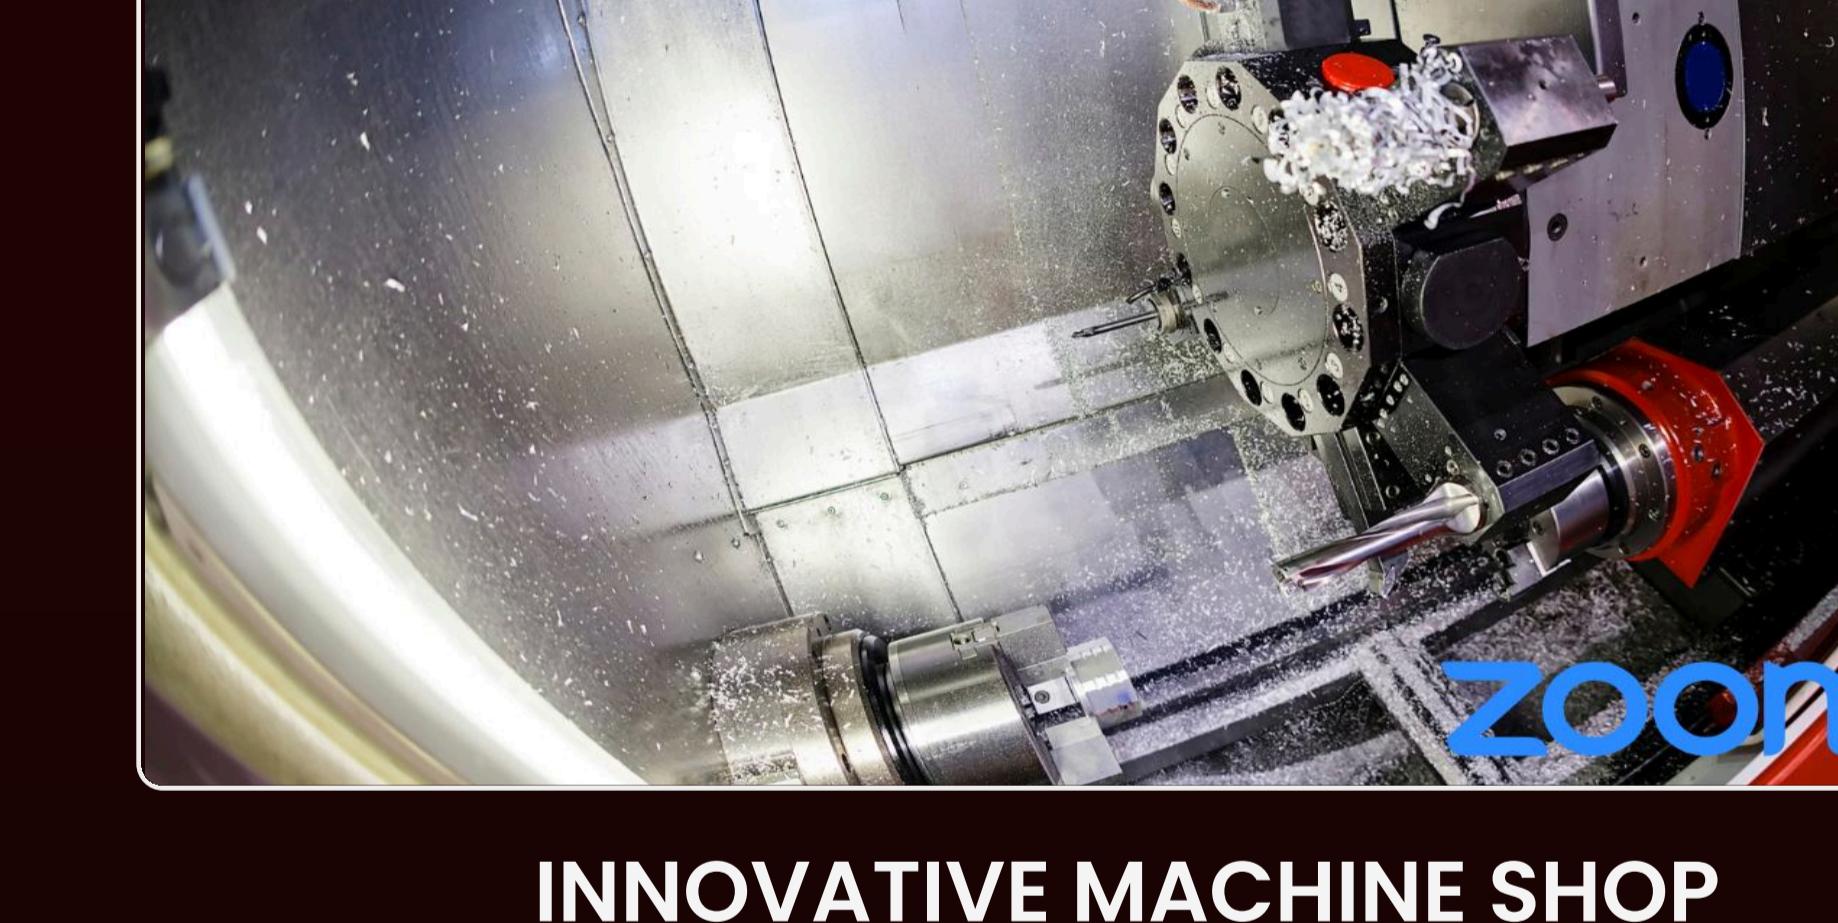

### ELECTRICAL CABLING & RENEWABLE ENERGY

We provide high-performance multiple coating technologies focused on corrosion prevention, fire, cathodic protection, insulation, and sealing technologies for energy, water, renewables, infrastructure, manufacturing, and harsh environments.

[LEARN MORE ▶](#)

### SKILL ENHANCEMENT PROGRAM

24/7 access to technical skill building by utilizing interactive courses for industrial workforce training using different hardware and online training simulations.

### AFTER SALES

On-site seminar and actual demonstration exclusive to your plant maintenance.

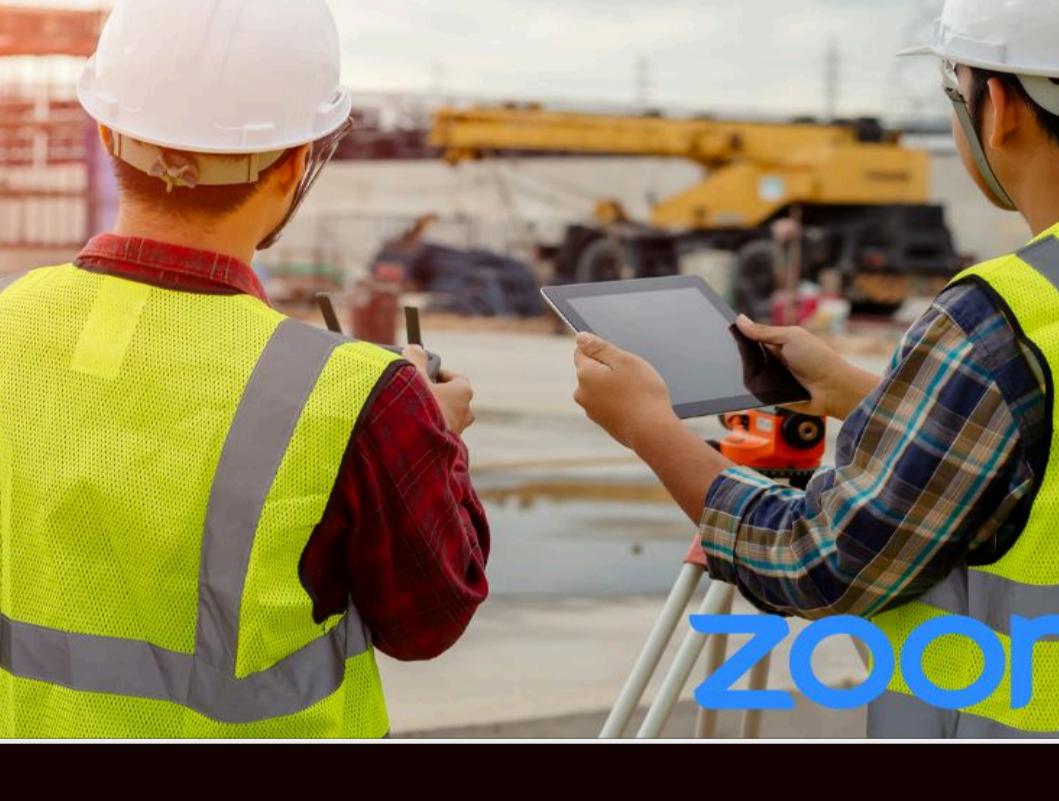

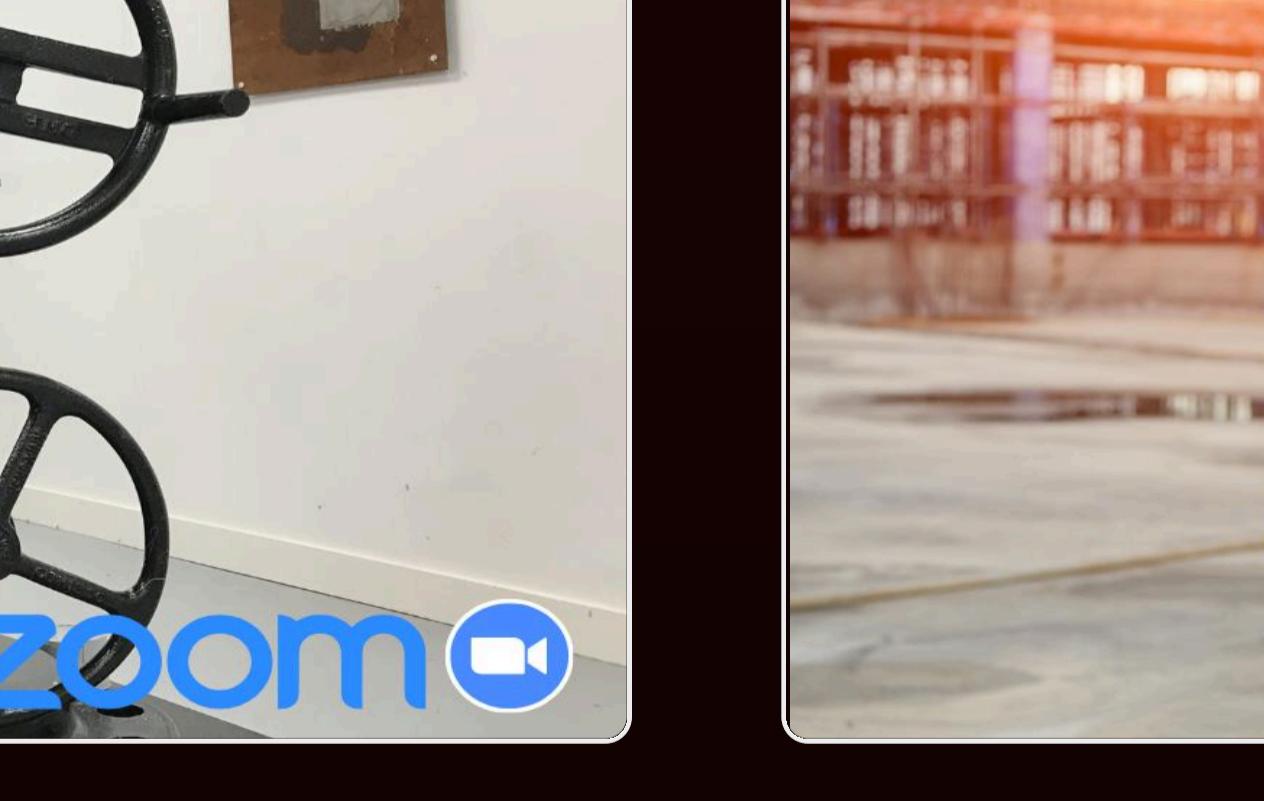

### OPTIMIZATION SURVEY SERVICES FREE CONSULTATION FROM THE EXPERTS

Our Field Application Engineers and Executives provide a one stop solution to your problems.

### INDUCTION BOLT HEATER RENTAL SERVICES

The Power Plant Industries, provide energy and give us.

## OUR SERVICES

### TOTAL BOLTING SOLUTION WEBINAR SERIES

Learn and be updated on the latest innovative tools for bolting challenges.

### INNOVATIVE MACHINE SHOP TECHNOLOGY WEBINAR SERIES

Be updated in our online webinar series for machining, processing and automotive.

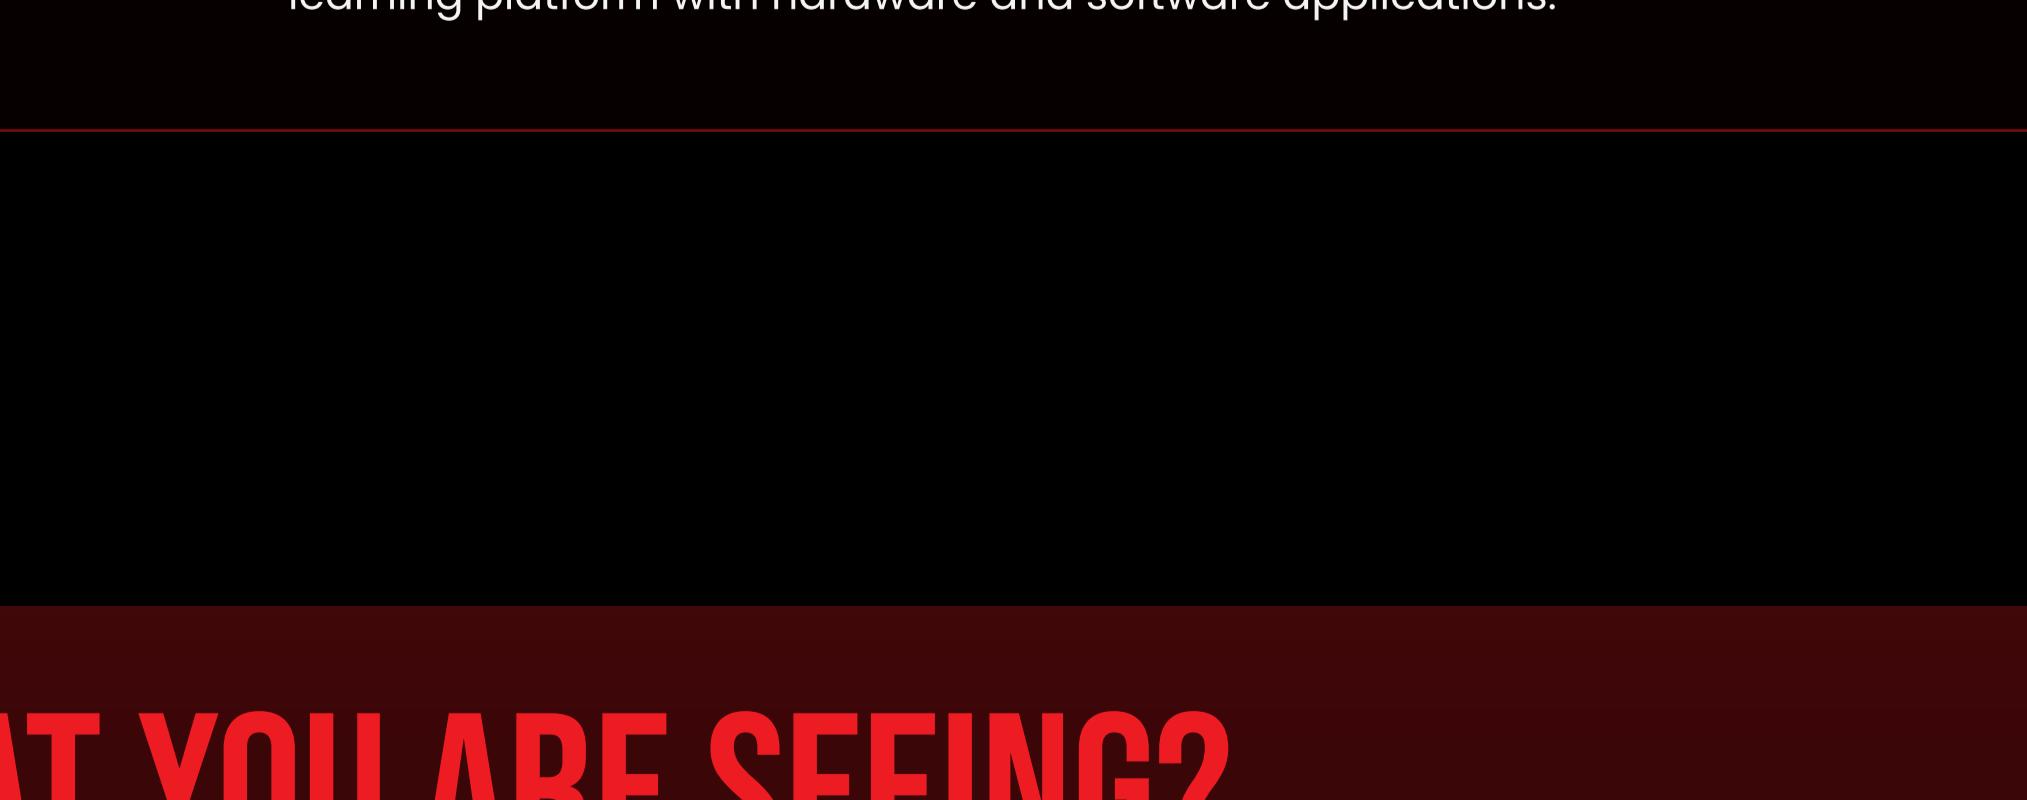

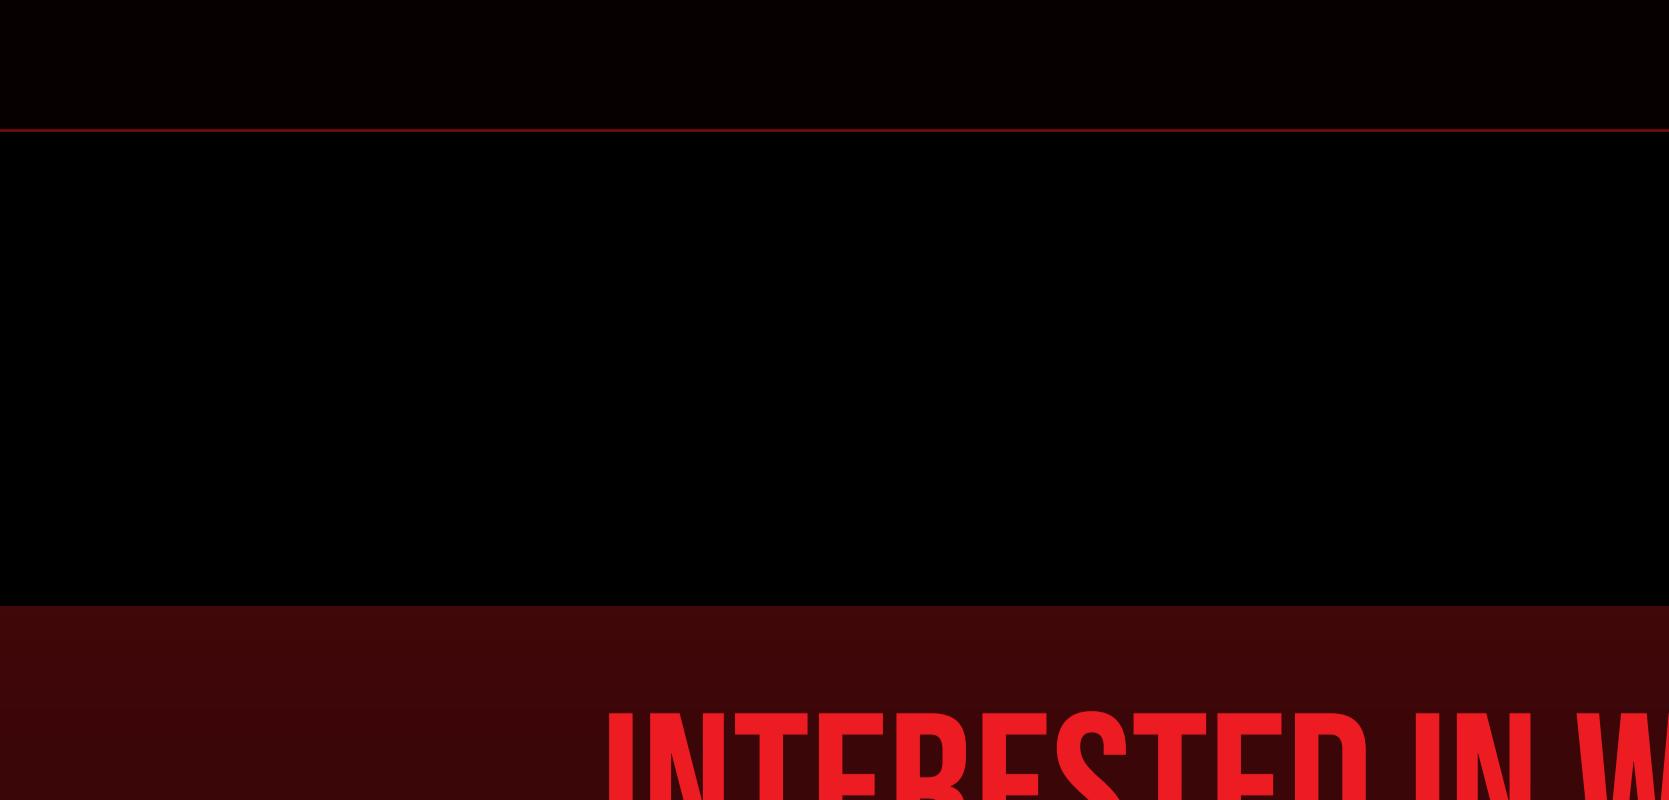

### ELECTRICAL CABLING & RENEWABLE ENERGY WEBINAR SERIES

Be updated in our online webinar series for electrical cabling and renewable energy.

### PROFESSIONAL CONSTRUCTION TOOLS & EQUIPMENT WEBINAR SERIES

Be updated in our online webinar series for professional tools and equipment for the construction industry.

### ELECTRICAL CABLING & RENEWABLE ENERGY WEBINAR SERIES

Be updated in our online webinar series for corrosion and sealing protection in the industry.

### SKILL ENHANCEMENT PROGRAM WEBINAR SERIES

Be updated in our online webinar series for augmented reality, e-learning platform with hardware and software applications.
